

Instructions: Accessing the PUC Portal

Why register for access to the Public Utility Commission of Texas' [Portal](#):

The [PUC Portal](#) is designed to facilitate communication and reporting between the PUC and the companies who do business with the PUC.

Currently, the following types of companies can use the Portal to complete their statutorily required Annual Reports online:

- Automatic Dial Announcing Device Companies (ADAD)
- Competitive Local Exchange Carriers (CLEC)
- Incumbent Local Exchange Carriers (ILEC)
- Interexchange Carriers (IXC)
- Pay Telephone Providers
- Retail Electric Providers (REP)

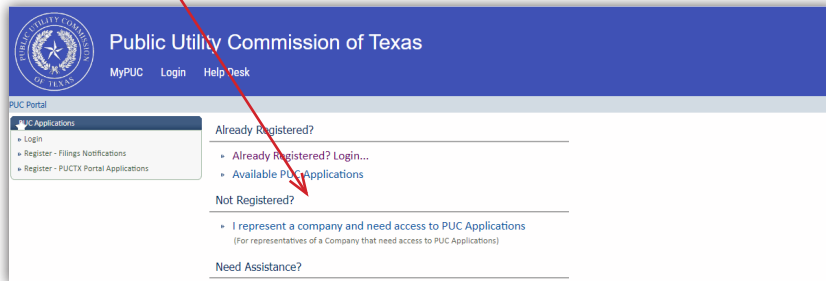

Companies can track informal complaint information and update the contact information they have on file with the PUC through the Company Complaints application as well.

To access the Portal from the main PUC Website, click on the hamburger icon to show the Portal Login link in the header OR click on Portal Login in the footer.

The screenshot displays the Public Utility Commission of Texas website. In the header, a callout box labeled "HEADER (top of site)" with the instruction "Click on hamburger icon, then select PUCT Portal link" points to a hamburger menu icon. A red arrow also points from this icon to the "PUCT Portal Login" link in the "Contact" section of the header. The main navigation bar includes links for Home, Consumer, Industry, Rules & Laws, Filings, and Agency, along with a search bar and a "Español" button. The footer section has a callout box labeled "FOOTER (bottom of site)" with the instruction "Click on PUC Portal link" pointing to the "PUC Portal" link in the footer's utility links. Other footer links include Procurement, Site Policies, Email Subscriptions, Accessibility, Sitemap, and Customer Satisfaction Survey. A sidebar on the right shows tweets from @PUCTx and a "FIND A COOLING CENTER NEAR YOU" button.

To begin your registration, click on “*I represent a company and need access to PUC Applications*”.

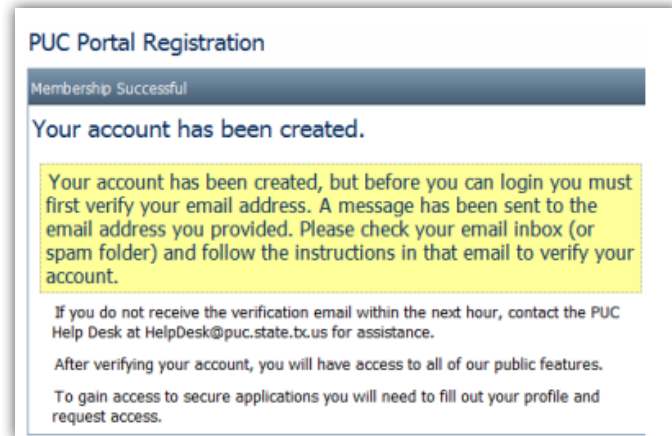

Begin creating your account by filling out this form:

The screenshot shows the 'PUC Portal Registration' form. The header is the same as the previous image. The main heading is 'PUC Portal Registration' with a sub-heading 'Create your account'. The form fields include: Username (with a note: 'At least 5 to 25 chars long. Numbers, Alpha and Period chars only. No Spaces'); Password (with a note: 'Password expression: At least 8 to 15 chars long. Numbers, Alpha and ! # \$ chars only. No Spaces. Must include at least one upper case letter, one lower case letter, and one numeric digit. (A-Z, a-z, 0-9, ! # \$)'); Confirm password (with a note: 'Re-type your password'); E-mail (with a note: 'Valid email address up to 255 characters'); Security question (with a note: 'Up to 255 characters'); Security answer (with a note: 'Up to 128 characters'); Salutation (dropdown menu); Gender (dropdown menu); First Name (with a note: 'Enter your first name'); Last Name (with a note: 'Enter your last name'); and Phone (with a note: 'Enter a contact number (###) ###-####').

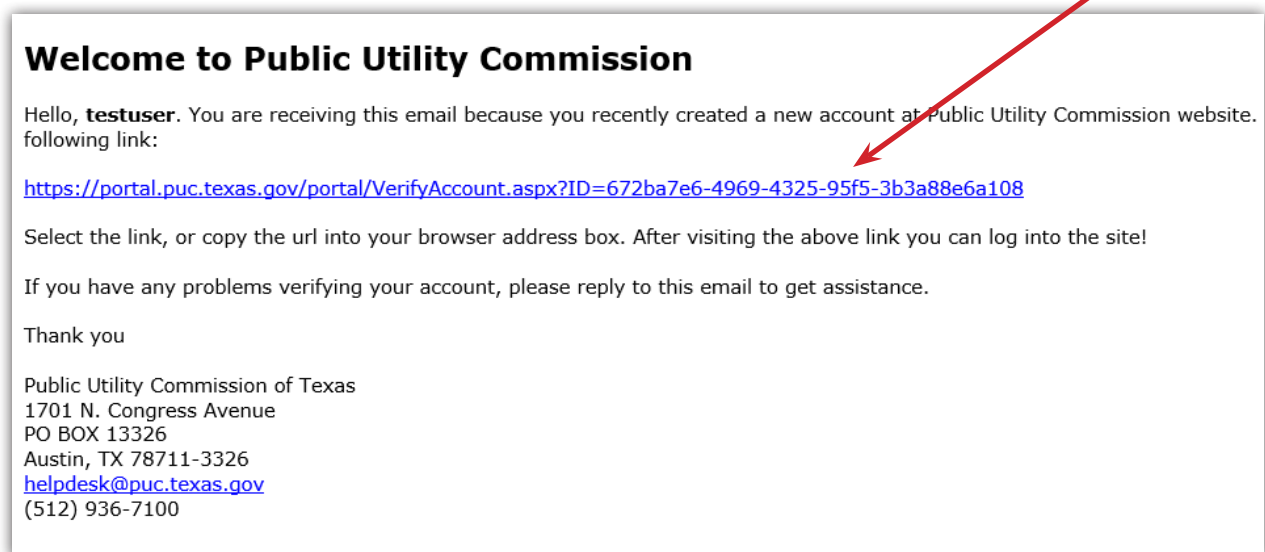

Enter the code from the image at the bottom of the form and click on submit to create your account. **Note:** *The characters in the image are not case sensitive.*

You should see the following message after you submit your registration.

You will receive an email in your inbox for the email account specified in the registration form. The final step to completing your registration is to click on the link that email

Note: *If you don't see the email in your inbox, please check your spam folder. You may need to add the email address [helpdesk@puc.texas.gov](\"mailto:helpdesk@puc.texas.gov\") to your safe sender's list.*

When you click on the link in the registration email, you should see a screen on the Portal letting you know that your account has been verified.

This concludes creating your account for accessing the PUC Portal. The remainder of this document provides instruction for accessing applications on the Portal. The applications provide electronic methods for companies required to register with the PUC or to file annual reports.

Access to applications requires approval and will be verified with PUC staff.

Instructions: Requesting Access to PUC Application

Currently PUC Applications are available for the companies doing business with the commission. The available applications are for company registrations and filing of annual reports.

Login to the Portal with your newly created account. You will be at the main Portal Page:

List of applications

Last updated: 06/30/2023

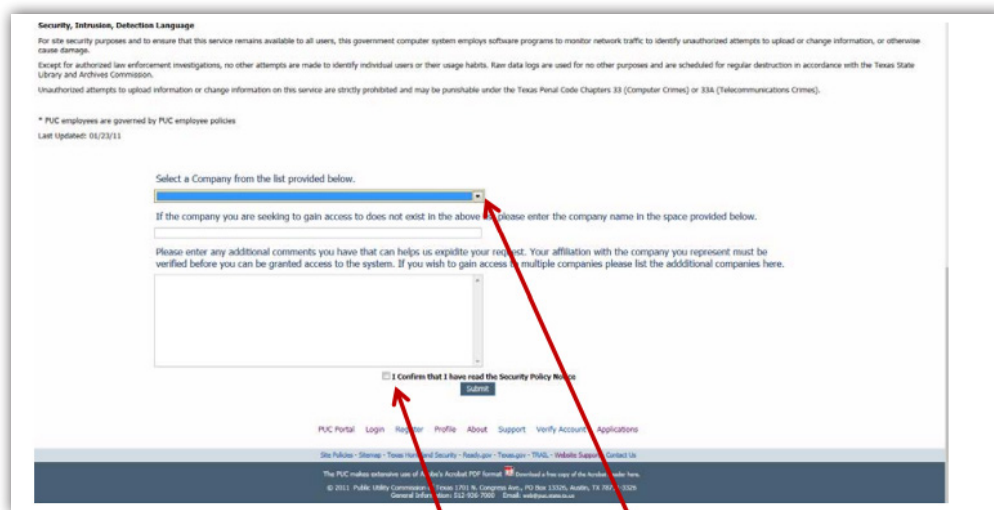

For assistance, please contact the Help Desk via [email](mailto:HelpDesk@puc.texas.gov) at HelpDesk@puc.texas.gov or by phone at (512) 936-7100).

To request access to an application, click the title of the application. You will see a screen similar to this one for ADAD Renewals.

Simply click on the Request Access to (Application Name.)

The ensuing screen will have important regarding the PUC Privacy and Security policy. At the end of this page, you will be asked to provide criteria based on the Application for which you are requesting access.

Select the company that you represent from the drop down box. If the company is not listed, the next line is provided for you to manually enter your company's name. The comment box is provided if you need to request access to multiple companies or if you would like to provide additional information.

When you are ready to submit, check the box confirming that you have read the privacy and security information and click Submit.

After you submit your request, an email is sent to the department responsible for confirming you have the authority to represent the company for which you are requesting access. When your access has been approved, you should receive an email letting your know that you now have access to the application.

If you have any questions or experience any problems associated with the PUC Portal or a PUC Application, please contact the [PUC Help Desk](#). The Help Desk may be reached by phone at (512) 936-7100, or use the link on the Portal Login page to [email](#) us.

Welcome to the PUC Portal
